1.3 A registered person whose name is removed from the Register will receive notice of removal within seven (7) days of placing the order and the registered persons is allowed to reapply for registration under section 21 or 22, as the case may be.

C. RATIONALE OF CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

The condition set forth by the Board is in conformance with Section 5(c) of Act 768 whereby the Board shall have the function to provide facilities for the promotion of education and training and to hold or cause to be held, professional development programme for registered persons to further enhance their knowledge relating to their professions.

MBOT promotes lifelong learning through the implementation of CPD. In MBOT, CPD is essential to renew the certificate of registration for Professional Technologists and Certified Technicians only. CPD is counted by hours and can be obtained through CPD activities.

D. CPD CONDITION FOR RENEWAL OF PROFESSIONAL REGISTRATION

1.0 INTRODUCTION

- 1.1 Professional Technologists and Certified Technicians are required to collect a minimum number of CPD hours as stipulated in the Circular for the renewal of the professional registration. The CPD activities must be relevant to the enhancement and competency of registrants. The CPD application should cover the related Technology and Technical area and **not limited** to the field registered and existing programmes approved by MBOT.

The objective of this requirement is to ensure those registered as Professional Technologists and Certified Technicians will constantly improve and upgrade their knowledge and skills. The formulation of the CPD is based on the industry requirements after going through a strict verification cycle with the Board under Quality, Training & Education Committee.
